Absolu Mango coulis

Absolu Mango coulis

85%
FRUIT PURÉE

Ingredients
Mango purée, Absolu Cristal

NON-FREEZABLE

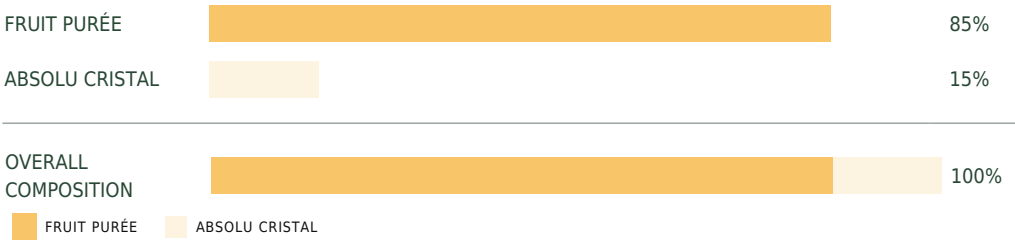
Description

Mix the fruit purée with the cold Absolu Cristal to make a gel.
Absolu Cristal (which has a higher sugar content than the fruit) adds texture to the fruit purée and gives it a sweeter sensation.
Absolu Cristal's rather neutral flavor helps to preserve the fruit's aromatic profile.

Suggested uses

- Coulis : verrines, dessert assiette, panacotta, fromage blanc, glace et sorbet
- Decorations

Overall composition



Composition	1000 g	100%
Mango purée	850 g	85%
Absolu Cristal	150 g	15%

Technique

Once out of the freezer, combine the fruit purée and Absolu Cristal neutral glaze (40°F or 4°C), then homogenize with a mixer.
Set aside and store at 40°F (4°C).

Trick

You can change the Absolu Cristal and fruit purée's relative proportions to suit different textures and flavors.

FRUIT PURÉE USED
Kesar and Alphonso Mango

TASTING TEMPERATURE
Chilled
