

# Absolu Lime coulis

## Description

Mix the fruit purée with the cold Absolu Cristal to make a gel.  
Absolu Cristal (which has a higher sugar content than the fruit) adds texture to the fruit purée and gives it a sweeter sensation.  
Absolu Cristal's rather neutral flavor helps to preserve the fruit's aromatic profile.

## Suggested uses

- Coulis : verrines, dessert assiette, panacotta, fromage blanc, glace et sorbet
