

Absolu Peach coulis

Absolu Peach coulis

80%
FRUIT PURÉE

Ingredients

Peach purée, Absolu Cristal

NON-FREEZABLE

Description

Mix the fruit purée with the cold Absolu Cristal to make a gel. Absolu Cristal (which has a higher sugar content than the fruit) adds texture to the fruit purée and gives it a sweeter sensation. Absolu Cristal's rather neutral flavor helps to preserve the fruit's aromatic profile.
