Fresh Mandarin Paste

Fresh Mandarin Paste
VEGAN

83.9% FRUIT PURÉE
15% ADDED SUGAR

Ingredients
Mandarin purée, Sugar, Agar-Agar, Carrageenan Iota

NON-FREEZABLE

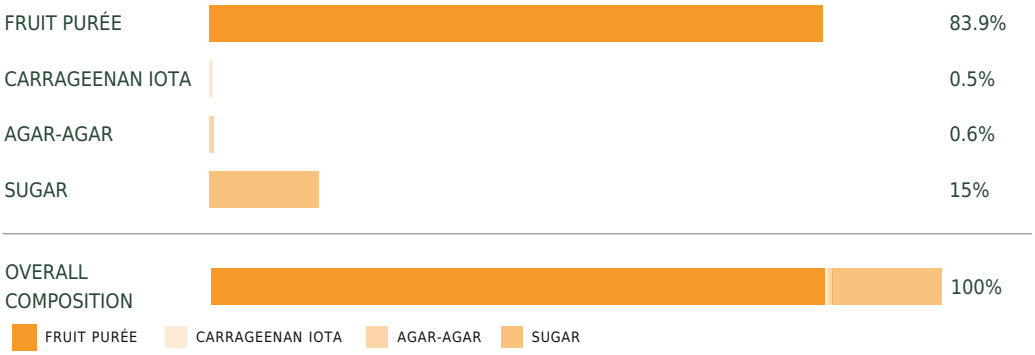

Description

This firm gel is made through a synergy of two natural plant-based gelling agents.
The Iotas create a supple, elastic gel, while the agar-agar makes for a much firmer gel.
Together, their qualities form a very pleasant, hybridized texture.
This solution helps you add texture to the fruit purée without concentrating it, cooking it or adding lots of sugar. As a result, you can serve your customers a truly fresh “fruit paste”.
